

Good News for Buying New Chiller Equipment in 2019!

Tax Code Changes for Buying New Equipment for Your Business.

Information we wanted to share with you...

*When the "2018 Tax Cut and Jobs Act" was enacted it included a provision called... **"Section 179"**. Section 179 is specifically designed to benefit small to medium businesses needing to buy new equipment.*

With "Section 179"...Your business is now allowed to DEDUCT THE FULL PURCHASE PRICE OF THE CHILLER (as well as the purchase of other new business equipment). This is Great News that may help your business justify that new chiller purchase!

*If you are interested, the link below can give you a full description about **"Section 179"** and how your company could benefit from it:*
